September 1, 2009

Sheriff Gene L. Wriggelsworth and the Ingham County Office of Homeland Security & Emergency Management would like to extend an invitation to you to attend the WMD / All Hazards Community Partnership Training. This unique training opportunity is designed to educate the community how to best prepare and respond to a disaster when emergency responders are overwhelmed. Hurricane Katrina has taught us that citizens may be left to cope with a crisis on their own for the first few hours or even longer.

Training includes:

- How to create a Family Disaster Plan
- What to include in a Family Disaster Kit
- Developing a Community Resource Database
- Crisis Response
- Chemical, Biological, Radiological, Nuclear & Explosive information
- Terrorism Awareness
- Desktop Exercise

A complimentary continental breakfast and lunch will be provided with the course.

The class will take place at the Ingham County Sheriff's Office, Training Center located at 630 N. Cedar St., Mason, MI 48854 on March 20, 2010 between 8:00am and 4:30pm. Please arrive early to enjoy the continental breakfast and meet the instructors.

The training is cost-free to all attendees. If you are able to attend, please contact Sgt. Robert Ott of the Ingham County Office of Homeland Security & Emergency Management at (517) 676-8223 or by e-mail: rott@ingham.org

Sincerely:

Gene L. Wriggelsworth
Sheriff of Ingham County
